

## **India National Challenge**

Challenge to walk 1000 steps! Walk to donate!

We are organising the national fundraising challenge to raise funds for our project beneficiaries to help them run their families smoothly in such times of crisis. The challenge will be hosted on the 28<sup>th</sup> of May and will run for two weeks until the 13<sup>th</sup> of June 2021. The challenge is to collectively be able to meet the goal of reaching 1 million steps in two weeks. We encourage you to walk 1000 steps each day and inspire your colleagues to join the challenge. We will be doing it from the comfort of our homes.

While the challenge remains ongoing, our target is also to help and support our beneficiaries who are struggling on the ground to make ends meet. We request you to participate in the challenge and also donate to the cause of supporting the families. The amount you donate will help us score RATION and HYGIENE kits for our project beneficiaries.

Here is the link to your donation page <https://www.unitedwaymumbai.org/futuregenerali>

We are dropping our contact details so that you can reach out to us in case of queries.
