

Help us raise funds to improve SK Lembah Subang students' **Accessibility to Digital Education.**

Schools have been disrupted by Covid-19. Education is shifting to online learning, but the B40 students are struggling.

[A 2020 Malaysian study](#) revealed that most B40 families lack Internet access or have no computer/laptop/tablet.

Without access to education, these children are at risk of being left further behind.

Who is organising this?

MPI Generali and Yayasan Generasi Gemilang.

Who will receive the funds?
